Dear Student

Thank you for joining the 200 hour Hatha Raja Yoga Teacher Training, and a warm welcome to our Teacher Training. We hope you enjoy the course and find it useful and informative.

In order to maintain high standards and ensure that we keep our good reputation, it is important that you reach a certain minimum standard. Whenever we feel that this is not the case, we will talk to you personally and try to put things right. The assessment is on a continuous basis and you will receive feedback on your progress. Students who do not meet the required standards will be asked to improve on the areas of weakness, and demonstrate that they have done this, before being issued with a certificate. All successful students can be registered on our database of accredited teachers.

5. Acknowledge the limitations of my skills and scope of practice and where appropriate, refer students to seek alternative instruction, advice, treatment, or direction.
6. Create and maintain a safe, clean, and comfortable environment for the practice of yoga.
7. Encourage diversity actively by respecting all students regardless of age, physical limitations, race, creed, gender, ethnicity, religion affiliation, or sexual orientation.
8. Respect the rights, dignity, and privacy of all students.
